Bob and Jeanie: just a note to tell you we have decided to have dinner with Bob and Deanna at the Musky on New Year's eve. We want to go up the mountain to have cocktails with John and Mary Ann, then dinner with Bob and Deanna and to watch the fireworks with you guys at Midnight-assuming I stay awake that long. Hope this is agreeable with you-Bob's going to have a reservations only night and we think that's a good answer with us because we have Lily, Beth and maybe Ellie with us-maybe Judi and Dan and Bill and Michelle. The family will be bringing the wagons in a circle. Incidentally, I asked Bill Allen to hook up a generator to our chalet for Y2K --JUST IN CASE! Hope all is well with you. I've got a bear by the short hairs right now. best teds
